Re: Condor Environmental, LLC Request for Expansion of Its Service Area and Approval of Agreements (Docket No. 2015-24-S)

Dear Ms. Boyd:

Condor Environmental ("Condor") is a public utility within the meaning of S.C. Code Ann. § 58-5-10(3) providing sewer service to residential and commercial customers in Greenville and Anderson County. Condor is currently operating under a schedule of rates approved by the South Carolina Public Service Commission in Order No. 2012-659 dated September 26, 2012, Order No. 2012-824 dated November 1, 2012, and Order No. 2013-552 dated July 24, 2013. Pursuant to the authority set out in S.C. Code Ann. Section 58-5-240(G), Condor herewith requests that it be permitted to charge rates for the Caledonia Subdivision and the Aldi Development as set forth in the Agreements without a hearing as the rates do not require a determination of the entire rate structure and overall rate of return.

The current schedule of rates provides for monthly charges for service to various residential and commercial developments in Greenville and Anderson Counties. The current terms in the schedule of rates will remain the same and the proposed rates will have no impact on Condor's existing customers. The proposed rates affect only the Caledonia Subdivision and the Aldi Development.

S.C. Code Ann. §58-5-240(G) provides as follows:

(G) Notwithstanding the provisions of this section, the Commission may allow rates or tariffs to be put into effect without a hearing upon order of the Commission when such

rates or tariffs do not require a determination of the entire rate structure and overall rate of return, or when the rates or tariffs do not result in any rate increase to the public utility, or when the rates or tariffs are for experimental purposes.

Accordingly, the Applicant, Condor Environmental, respectfully submits this request for approval of rates without a hearing.

Thank you for your assistance, and if you need anything further, do not hesitate to contact me.

Sincerely yours,
